

WELCOME, TO “HOW I CAN MAKE \$200-\$300 A DAY DOING FIELD INSPECTIONS”

I KNOW WHAT YOU’RE SAYING -- WHAT THE HECK IS A FIELD INSPECTION AND HOW COME I NEVER HEARD OF IT BEFORE?

If I told you that millions of inspections are ordered every year, year after year, and that the business of Field Inspections is...

- VERY HIGH PAYING**
- 100% RECESSION PROOF**
- REQUIRES NO SPECIAL TRAINING**
- COSTS LESS THAN \$500 TO SET-UP**
- ALLOWS YOU TO BE YOUR OWN BOSS**
- HAS FLEXIBLE HOURS**
- IS ALWAYS IN DEMAND**

You would never have believed such a business exists yet it does and it is great demand!!

Hi, my name is Steve Bialk, I have been self-employed for almost 30 years and I found this business by accident. Because I like you never knew it existed. I do field inspections every day and have for quite some time; I make a really good income, love the freedom of this business and the opportunity which it has afforded me.

When people ask me what I do,

“I tell them I am in a business which nobody knows about but is needed by millions of people daily.”

“I tell them I spend my day driving, looking at property and get paid real well for it!”

“I tell them I don't have to worry about finding new clients or dealing with the stress I had from other jobs, since the field inspection business is in high demand and the business comes to me daily.”

Well, thanks for taking a few minutes today to find out about this great opportunity. I decided that with so many people dealing with a very difficult economy and a recession which few of us have every experienced that I would share everything that I've learned about this fantastic business with you.

As I said earlier I found this business by accident but I decided that there was a need for a course which was written by somebody who actually does this for a living, not somebody who cranks out EBOOKS for a living. My course is a comprehensive review of the what, why, who and how of the field inspection business.

I also give you a great resource that can assist you to **FAST-TRACK** your business, so that instead of learning it the slow and costly way as I did, you will have a **GAMEPLAN** and team to get you making money in as **little as 30 days**.

This course is going to provide you with:

- What the field inspection industry is.
- What qualifications you need to be a field inspector.
“NONE”
- How we get paid and what inspections pay better than others.
- The equipment needed to be a field inspector.
- Types of inspections we will be doing.
- Information on how to structure your business.
- Marketing your business
- How to get inspections sent to you daily.
- Contact information to over a hundred national field inspection companies who are looking for field inspectors.
- A great resource to help you fast-track building your field inspection business

All of these plus different videos which show you actual field inspections being done using the equipment we use every day and a lot of helpful tips I offer you from the field to make you successful.

I know that \$200-\$300 a day to some of you may not be that great a sum of money, but I will tell you that it is the easiest, most stress-free money you will ever make for working just a few hours a day. If you build your business as I have you will be on your way to a very healthy recession-proof income in a very short time.

I want you to be successful from the very first day You start in this business and this course is going to do that for you, I have included what you need to get started and if you are willing to do what is outlined in the course, then I can almost guarantee you that you will be successful.

If you need to make money fast then my course will get you there! I eliminate the fancy promises and over-selling which I see all of the time. I am a guy who has done this business long enough and can show you the right way to be successful.

Don't be one of those folks who want to sit on the couch and think this can't be true, give yourself the opportunity to learn about this business, at least you'll have the information to make an informed decision.

OK, Steve, what's the price for this course written by a veteran of the field inspection business going to cost?

Answer: \$35.00

You will make back 100% of your investment in less than 30 days and definitely after completing 3 or 4 inspections, which could be by the end of in your first day in business.
